The NYS Property Tax Levy Cap In Brief....

- New York State has a property tax levy cap, NOT A **“2% CAP!”**
 - The law does not restrict any proposed tax levy increase to 2%
- The law creates an 8 step formula to determine the “tax levy limit”
 - Adjusts tax levy to reflect local growth in tax base and rate of inflation (**max** 2%)
- The property tax levy cap limits the school district levy **NOT** the individual tax bill of resident taxpayers
 - Assessments and equalization rates impact tax rates
- The formula allows for certain expenses to be exempt from the cap, therefore allowing the total tax levy increase to be greater than “perceived” cap
- BOEs can present a budget that “overrides” the cap but will need 60% voter approval
- Voters are approving the budget (spending plan) not the tax levy

Maximum Allowable Levy

This is the **ONLY** place where 2% is seen in the entire calculation.

What options does the BOE have?

- **Option 1** : Propose a budget requiring a tax levy **before** exemptions **at or below** the Tax Levy Limit prescribed by law
 - This requires a simple majority (50% + 1 voter approval)
- **Option 2** – Propose a budget requiring a tax levy **before** exemptions **above** the Tax Levy Limit
 - Requires a “super majority” (60% voter approval)
 - Requires a statement on ballot indicating the required tax levy before exemptions exceeds the Tax Levy Limit

What happens if the budget is **NOT APPROVED** by the public?

- If the proposed budget is not approved by the required margin:
 - The District may resubmit the original budget or submit a revised budget to the voters on the third Tuesday in June OR
 - Adopt a contingency budget that **levies a tax no greater than that of the prior year (0% increase in tax levy)**.
- If the resubmitted/revised budget proposal is not approved by the required margin:
 - The Board of Education must adopt a budget that levies a **tax no greater than that of the prior year (0% increase in tax levy)**.
- Districts will not be allowed to increase the tax levy to the extent necessary to fund items of expenditure excluded from the tax cap
 - No growth factor
 - No capital, court order/judgments or pension exemptions
