

School Health Services

Notice to pick up medications at school

Hudson Junior High School 215 Harry Howard Avenue, Hudson, New York 12534

Phone: 518-828-4360, ext. 8311 Health Office

Fax: 518-697-8791

Date: June 14, 2018

To the Parent/Guardian of:

Name of Medication(s):

The end of the school year is quickly approaching! Please remember to pick up your child's medication in the health office prior to the last day of school. The school is not able to allow your child to bring the medication home.

For your convenience in preparing for next year, a medication form is enclosed. Please have it completed by your child's healthcare provider, if your child will be taking medicine in school next year. New medication permission for each medication is required each school year. We need a medical order and guardian signature.

If you have any questions or concerns, please call the Health Office at the above number. I will be available for medication pick-up through June 22, 2018.

It is not appropriate for us to keep medication at school over the summer – this includes inhalers and Epi-pens – so please pick up your child's medication. Many of these medications are expensive, and we must dispose of any medication that is not picked up.

All medication left at school will be disposed of as of June 22, 2018 at the close of the school day for students, unless you make other arrangements with the school nurse.

If you need to make special arrangements to pick up medication, please call prior to June 22nd.

Thank you in advance for your cooperation.

Stephanie Haigh LPN
Junior High Health Office Nurse
