My name is Willette Jones and I am Hudson Community Schools Coordinator. I am a graduate of Hudson High School and have been employed in this community and worked in child care for over 20 years. I am actively working with the community to provide feedback and identify support systems and resources that will promote achievement and success among the youth. A majority of my experience includes working for Head Start, JLE After School Program and the County Clerk's office.

I have lived in this community for most of my life and have three children that have gone through HCSD, one currently enrolled in 9th grade and a granddaughter enrolled in 2nd grade. I feel I am rooted in this community and invested in Hudson City School District.

**Did you know that as a part of the HCSD PBIS Initiative (Positive Behavior Support Intervention), the High School rewards students for being on time to class?**

- Every week we pick 2 names per grade from a list of students that were on time to ALL OF THEIR CLASSES THAT WEEK.
- Those students are then called to Mr. Hernandez's room to choose their prize.
- Prizes vary, but recently we have been giving away t-shirts, gift cards and coming soon movie tickets!
- See the [HSHS PBIS webpage](#) for more of our initiatives.
