January 2009

Do you have, or know of a child, who will be 4 or 5 on or before December 1st? While we are not quite ready to start taking registrations for next fall's kindergarten class, we are surveying our community to identify potential students for kindergarten and pre-k. With the governor's proposal to significantly cut state aide to school districts, and the uncertainty of our budget, we are trying to determine how many children may be entering kindergarten in September. Additionally, we are trying to determine how much interest there is in pre-k.

Children who are 5 years old on or before December 1, 2009 may enter kindergarten in September.

Children who are 4 years old on or before December 1, 2009 are eligible for Universal Pre-K. There is no charge for pre-k, but parents must provide transportation for their child. Sites currently exist at JLE, the Starting Place, and Learning Essentials.

We would appreciate your filling out the form below and returning it to school by January 30th. We will then contact you with further information. Thanks for helping us out.
