Breaking News For An Informed Community February 3rd, 2012

❖ Safety First

Parents when dropping your children off in the morning please either drop them off by Mrs. Hoffman at the end of the lower parking lot loop or walk them into the building. Unattended children let out of cars and vans and then walking through our parking lots and crossing car and bus lanes are not safe. Parents, also, please remember to slow down! As you drive through the parking area, set your car to CRAWL SPEED. There is just no way to know where a child might dart out.

❖ JLE Collecting Soda Can Tabs For Ronald McDonald House

Ronald McDonald House Charities of the Capital Region promotes the health, development and well being of children and their families. They do this through the Ronald McDonald House, a home away from home for families of seriously ill children. JLE has a collection bucket for deposits of aluminum pull tabs from soda cans. Ronald McDonald House uses the funds from recycling these aluminum tabs to support Ronald McDonald Houses. Please bring all collected pull-tabs to the JLE office.
