JLE Parents and Guardians thank you for completing and returning the surveys about the showing of educational videos only when we cannot have outdoor recess because the temperature outside is below 21 degrees or it is raining. Of the 500 surveys we sent out 317 of you completed and sent them back. The results of the survey were 304 or 96% of you are fine with showing the children educational and fun PBS series like Curious George, Magic School Bus, Arthur or Wild Kratts. While 13 of the 317 parents who sent in surveys or 4% did not want their children watching videos when we cannot go outside. Thank you for your quick response. It is important that the Superintendent and School Board know what you think about this and other issues. Thank you again.
