BOARD OF EDUCATION POLICY FOR  
USE OF SCHOOL FACILITIES

1. The Superintendent is authorized to delegate the responsibility for the use of a school building or property to the Building and Grounds Department.
2. The following guidelines will govern the use of school facilities:
  - a. Only local community organizations may be allowed to use school facilities within the limits of the law and insofar as such usage shall not conflict with the regular school program or a school event.
  - b. All meetings, entertainment and use shall be non-exclusive and shall be open to the general public. Admission fees only may be charged if all proceeds are used for educational or charitable purposes.
  - c. Requests for use of a facility shall be made at least four (4) weeks in advance. An approval is not official until written confirmation has been received from the District.
  - d. Use of school facilities will be allowed for community organizations which may sponsor political debates, forums and information sessions provided that insofar as possible, all political parties are represented. Individual political parties are not allowed to use public school facilities for rallies, campaigns or other purposes designed to promote such a party of its candidates.
  - e. Education Law, Section 414, sub-division 4 prohibits the exclusive control of meetings where proceeds are to be applied for the benefit of a religious sect or denomination, fraternal, secret or exclusive society/organization.
  - f. An unofficial group of individuals is not to be construed as an organization and will not be allowed to use school facilities.
  - g. Children's groups, clubs and organizations must have an adult sponsor and ample adult supervision when using a facility.
  - h. All damage or breakage must be reported by the organization to the custodial staff or Principal. The Principal or custodial staff will notify the Superintendent of Buildings and Grounds who, in turn, will bill the organization for the necessary repairs and/or replacement.
  - i. An organization will not be allowed to use a facility until all prior school bills are paid or satisfactory provisions have been made with the business office to have the situation rectified, and current request is paid in advance.

- j. The using organization shall be required to furnish public liability and property damage insurance with limits at least equal to those of the Hudson City School District and based upon recommendation of the District's insurance advisor.
- k. Use of a facility is a privilege. Any misuse will seriously jeopardize future use of the building by a specific organization.
- l. Final authority in granting use of a public school facility and setting a fee is reserved by and at the discretion of the Board of Education.
- m. If in doubt about any request, contact the Clerk of the District.
- n. One copy of the request form (Hudson City School District - Use of Facilities form) is to be completed by the organization and submitted to the Buildings and Grounds Department for approval.
- o. Alcoholic beverages and/or smoking is not permitted on District property. An announcement to this effect shall be made before each activity.
- p. Education Law Section 414 empowers the Board of Education to permit use of a facility where admission fees are charged when proceeds thereof are to be expended for educational or charitable purposes. The renting of a facility for which admission is charged and not used for educational purposes, is forbidden by this section. A notarized financial statement shall be required for all events that charge admission fees.
- q. The following fees shall be charged per use when facilities are used by organizations,
- r. The Building and Grounds office shall maintain a monthly calendar listing all approved requests for the use of school facilities.
