Parents, guardians or designated adults are responsible by law, to assist their children in getting to the bus stop and home from the bus stop. All students in grades K through 2 will be returned to the school if a recognized parent, guardian or other school-designated adult (the building will supply the bus driver with a copy of the approved list) is not there to meet them at the bus stop in the afternoon. The parents or guardians of students who are returned to school on multiple occasions will be referred to local law enforcement representatives and/or school resource officers (SRO) to investigate the possibility of neglect and/or endangering the welfare of a child.
