Hello parents/guardians,

As you may know, Hudson City School District is using an automated call and email system for community outreach and emergency message notification. The system, Blackboard ConnectED, needs to have current contact information to reach you effectively.

For non-emergency outreach calls, the Home Phone and Alternate Home Phone numbers are used. For emergency situations, all phone numbers are called with the message.

If you could take a moment and fill this sheet out it would be greatly appreciated.
