

Follow-up Notification to persons in parental relation, faculty and staff

Dear Parent, Guardian and School Staff:

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty and staff regarding the use of pesticides periodically throughout the school year. *

The following pesticide applications took place in the MC Smith Intermediate School and High School on:

| Date of Application | Location of Application | Product Used |
|---------------------|--|--------------------------|
| 1) 6/27/13 | Fence line and perimeter of the MC Smith Intermediate School | Roundup Concentrate Plus |
| 2) 8/12/13 | High School fence line by the Fireman's Home from the garden to bottom of the hill | Roundup Concentrate Plus |

As a reminder, the Hudson City School District is required to maintain a list of persons in parental relation; faculty and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- A school remains unoccupied for a continuous 72-hours following an application.
- Anti-microbial products.
- Non-volatile rodenticides in tamper resistant bait stations in areas inaccessible to children.
- Non-volatile insecticide baits in tamper resistant bait stations in areas inaccessible to children.
- Silica gels and other non-volatile ready-to-use pastes, foams, or gels in areas inaccessible to children.
- Boric acid and disodium octaborate tetrahydrate.
- The application of EPA designated biopesticides.
- The application of EPA designated exempt materials under 40 CFR 152.25.
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you have not registered to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to George Keeler, Superintendent of Buildings and Grounds/Integrated Pest Management Coordinator, Hudson City School District, 215 Harry Howard Avenue, Hudson, NY 12534, Tel: 828-4360
