

Overview

This guide provides step-by-step instructions for students to login and access information through the eSD® Student Portal. The eSchoolData Student Portal makes it easy for students to view current academic information, allowing immediate access to grades, assignments, school calendar, schedule, attendance and much more.

Logging In

All currently enrolled students will be provided with an eSD® Student Portal account. Please refer to your school district's website for an existing Student Portal Link. If your district has not listed the link on their website, the district will provide you with the necessary information to access the Student Portal web page.

Your school will provide you with a **Username** and default **Password**. Enter your Username and Password, and then click **Log in**.

eSD® Student Portal Home

Welcome to the eSchoolData Student Portal and congratulations on being part of a school district that values sharing information with its students.

The eSD® Student Portal is a cutting-edge communications tool designed to strengthen the partnership between you and your teachers, and to give you access to information about your courses and school.

By keeping track of your progress, you can avoid surprises and stay ahead of any problems that may threaten to throw your educational plans off course. You can also make sure that all of your hard work is recorded correctly.

Get started now and make your school experience better and more successful.

[Need help or more information? Click here to read our FAQ.](#)

The login form is set against a blue circular graphic. It includes a 'Login' link, a 'Username' field with a red arrow pointing to the text 'Student ID', a 'Password' field with a red arrow pointing to the text 'Password', and a 'Log in!' button.

Upon first login, the District's **Terms of Use** should be read. Click **I Agree** to proceed further.

You Must Agree to The Terms of Use Before Proceeding

The Hudson City School District requires that you agree to this contract before the District can provide you with access to the eSchoolPortal information system.

Please read this contract carefully. When you agree to this contract, it becomes a legally binding document.

The District's goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation and communication. The District will make reasonable efforts to protect students, parents, guardians and teachers from any misuse or abuses as a result of their experiences with this information service. All users must be continuously on guard to avoid inappropriate and illegal interaction with the information service.

Listed below are the provisions of this contract. If any user violates these provisions, access to the information service may be permanently denied.

1. Privileges: The online access to information is a privilege, not a right, and inappropriate use, including violation of the District's Code of Conduct and/or the Computer Acceptable Use Policy will result in cancellation of this privilege. The administration, staff or faculty of the District may request that the system administrator deny, revoke or suspend a specific user account without notification.
2. Services: The District and its service providers make no warranties of any kind, whether expressed or implied, for the service it is providing. The District and its service providers will not be responsible for any damages suffered while on the system. These damages include loss of data as a result of delays, non-deliveries, incorrect deliveries or service interruptions caused by the system or user errors or omissions. Use of any information obtained from this information system is at your own risk. The District and its service providers specifically disclaim any responsibility for the accuracy of information obtained through this service.
3. Technical Support: The District and its service providers do not provide any technical support to the users of this information service. Users are responsible for resolving any technical issues.

Getting Help

Once logged in to your Portal account, click the **Help** button in the upper right corner of any Student Portal screen to access the **eSchoolData Student Portal F.A.Q.**

The **F.A.Q.** provides students with answers to commonly asked questions.

eSchoolData Student Portal F.A.Q.

What is the eSchoolData Student Portal?

The eSchoolData Student Portal is a highly secure, internet-based application through which you can see your academic record and current progress.

Am I eligible for an eSchoolData Student Portal account?

If you are currently enrolled in the school district you are eligible for an account.

What information will I be able to access with my eSchoolData Student Portal account?

This depends on your grade level and your school district's implementation plan. For example, some districts may permit grade 12 to have access to information.

How do I sign up for an eSchoolData Student Portal account?

Contact your district's eSchoolData Student Portal administrator.

What if I forget my password?

Your district's eSchoolData Student Portal administrator will be able to help you.

Navigating the Portal

Once you have successfully logged into the student portal, your **Profile** page will display. Click a **tab** to access the corresponding information. All tabs may not be available, and their order may differ from these screenshots, depending upon your school's use of the eSchoolData system.

Click on the **Gradebook** tab then click **View Gradebook Assignments** to view your class list and published assignment categories and assignments.

Once the Gradebook window opens, select the **Marking Period** (defaults to the current Marking Period) and click the course in the **Class List** you would like to view.

In the **Class Work** section, click the **Expand icon** next to an Assignment Category to display the published assignments in that category. The **Teacher's Comment** column will display assignment-specific comments. Click the **Assignment Description icon** to view the assignment description. Click the **View Report** link to view any Performance Reports posted by the teacher. Click **Print Assignment** to print the displayed assignments.

Click on the **Progress Report** tab to view your progress report. Click **Print** to print an **unofficial** Progress Report directly from this screen.
