RE: Route 5

Dear Parent / Guardians:

Due to some timing issues with dismissal we will be shifting the order of the routes for Bus 2 in the afternoons only. Currently, we start by picking up Route 4 from the JHS first at dismissal. However, starting Monday, September 18, we will be starting with Route 6 at the MCSIS building and then coming up to pick up Routes 4 and 5 from the JHS.

**Route 6 MCSIS** - Due to this change your students' bus will be dropping them off at the bus stop in the afternoon immediately after dismissal - they should be dropped off at their stop at approximately 2:45 to 2:50 p.m.

**Routes 4 & 5 JHS** - Due to this change your students' bus will be dropping them off at the bus stop in the afternoon approximately 20 minutes later than it currently does.

There are no changes to the morning pick-up and all three routes will remain the same.

Thank You,

HCS D Transportation Department
